Comment text:

I am a resident of Borough Green and Long Mill ward. Whilst I'd prefer the boundary to remain as it is, if the ward had to merge with another then I feel commercially, culturally and geographically the closest ward is Wrotham, Ightham & Stansted rather than the other neighbouring ward which is Downs & Mereworth. It feels to me that Downs & Mereworth probably has the least identity of the current wards, so would perhaps be best suited being absorbed into neighbouring wards.
