Subject: Clifford Ward - Stretford & Urmston Constituency and Trafford Council Area
Categories: [REDACTED] Submissions

As a resident of what is mostly called South Old Trafford these days, I'm sending this message to record my agreement with re-naming *Clifford Ward* with the more appropriate and recognisable *Old Trafford Ward*. (Many local people do not even recognise the name Clifford Ward and no one at all seems to know what the reason for the name 'Clifford' is.)

I also consider the clearer boundary lines of the ward an improvement.
