Hi, My house is built on Urmston grammar school Gardens, we purchased our house as its in Urmston and the catchment area for my daughters school is Urmston. I reject our house being moved from Urmston to Stretford, my house value will go down, my insurance policies will increase, we bought our house as it is in Urmston, we paid extra so we weren't in Stretford. We worked very very hard this, it was our dream to live in Urmston, we don't want you to do this to us, it is ridiculous this proposal and the negative aspects far outweigh any positives coming from this. Don't ruin our lives please. Regards, [REDACTED]
