Comment text:

Broomwood in Timperley is an estate and a community in itself. To split the Broomwood community into two wards would be detrimental not only to division, but loss of the community feel as well as essential funding for this area which needs the facilities, funding and community projects in an area of social housing and requiring additional help compared to Gale Barns and the wider Timperley community, which are generally much wealthier than Broomwood. If it were split, the two halves of Broomwood would be lost in the ether. I am not against the wards being withdrawn as my own would be Timperley Central rather than Broadheath, however in the case of the Broomwood community a split there would be a travesty with direct consequences to the residents there.
