Bradfield Road should not be sliced in 2. Houses much further away from Stretford town centre are included in Stretford Ward. All the local amenities used are in Stretford ward. Public transport and driving routes to and from the houses on Bradfield road are in Stretford ward. The railway line provides a logical and natural boundary line between wards. Residents feel a part of the community in Stretford ward and not lostock & Barton so will therefore understand issues and engage more with Stretford ward councillors.
