

Dear Sirs,

Not that I have anything against Strefford - I lived in Gorse Hill for 47 years, but I moved to Daughthulme 9 years ago, if I had wanted to stay in Strefford I would have bought a house there as it is a cheaper area on the whole. Moving the boundaries will de-value all our houses.

Also what a time to do this in the middle of a pandemic with mental health being a big issue. Do you not think this will upset a lot of people - Well done  
Strefford council      Yours faithfully
