Dear Commission,

I have been watching the changes to the Gorse Hill Ward of Trafford Borough Council. I think they are a good idea. The Lostock area of Gorse Hill Ward does feel quite different the actual Gorse Hill area. I can see that Gorse Avenue, Gorse Drive, Gorse Lane and Gorse Avenue are going to be added. This makes sense.

The Pomona and Cornbrook areas of Trafford Borough Council are partly up and coming areas and long term established places to live. Could we add Cornbrook to the name of Gorse Hill Ward so it would become Gorse Hill and Cornbrook Ward. They have a tram station which is very busy called Cornbrook Station. So that area has a strong identity already.

Yours Sincerely [REDACTED]
