Subject: Trafford Boundary Review

Categories: Submissions, [REDACTED]

Hi,
I am a long time resident of Reynolds Road, Old Trafford.
Just want to show my support for the changes for this area.
The proposed ward boundaries are clear and they seem to make distribution of councillors to people much fairer.
Use of Seymour Grove as a boundary makes good sense as it's a clear boundary for the ward.
Equality is key to democracy and this feels like a step in the right direction - certainly at a local level.
Best wishes
