As a first time buyer we selected an area based on its location and reputation, we also avoided certain areas because of this. I feel disgusted that I bought a house in Matchborough and will now be lumped in with Woodrow, an area we avoided. I have significant concerns that my house price will be affected by this boundary change and renaming. There is no obvious reason that Ipsley and Matchborough need to change and Speaking to others I know who live in both Ipsley and Matchborough they are also very unhappy!! No matter what you do there will always be places in a town that have a poorer reputation and lumping them together with areas that are well known for being lovely is so unfair to people who chose these areas to settle. I would urge you to consider keeping Ipsley and Matchborough together!!
