## COMMENTS

1. It is GOOD that the Town Centre of Redditch is now going to be in Central Ward.
2. I suggest that PART of the western boundary of Central Ward is changed, here <sup>are</sup> ~~is~~ my ideas – also supported by colleagues:
  - (i) move part of the boundary westwards; use the well used tarmaced footpath called MUSKETTS WAY as the boundary. Musketts way ~~is~~ follows a straight route between Pitcheroak Golf Course and Pitcheroak Oak Wood.
  - (ii) include in Central Ward, the following roads: Purshall Close, Holmwood Drive, Vicarage Crescent [the eastern one], Vicarage View, and Prophets Close. These roads have never been thought of as being in Batchley, whereas the Redditch Football Ground is essentially in part of Batchley.
3. Keep the western boundary of Central Ward as indicated on your map to the west of BRITTEN STREET.
- 4.(i) The whole area which includes Cedar Park Road, and Bridley Moor Road SHOULD BE MOVED OUT of Central Ward. This area is definitely Batchley.  
(ii) The western boundary of Central Ward should run northwards along HEWELL ROAD from BOWOOD COURT to WINDSOR ROAD.  
*Windsor Rd - and could be as you suggest at the rear of the industrial area to the north.*

This is an older map which doesn't show all the new housing developments to the west of the B441 Bham Road (Brockhill West)
