I'd like to support your proposed boundaries for Littleover Ward. Thanks for keeping our whole community together in your draft proposals. It would've been illogical to have Littleover Community School in Heatherton Ward. As I said in my original contribution I've lived in Heatherton since I was VERY young and have always said I live in Littleover. We also use both shopping centres, with Littleover Village being a main hub for local people and Heatherton being a much smaller secondary hub. For example my grandmother shops in Littleover Village every week despite living in Heatherton. The new Aldi means people are coming to the secondary centre too. It's a close cohesive community that does have it's differences, but these are outweighed by the major links and cohesion. Thanks for taking on board local residents comments and not just party political ones. Please keep Littleover Ward as presented in your draft proposals and maintain our community.
