### Comment text:

I completely oppose these new boundaries. I live on Moncrieff Crescent CHADDESSEN which is my postal address, certainly not part of the Oakwood estate. I also feel our 3 councillors that represent the ward of CHADDESSEN do an outstanding job and it would be detrimental to split them and the ward up. This proposal will only create more bureaucracy and probably a reduction in services. It's a resolute NO from me! Why change what works perfectly well unless it's for political reasons which are never about the well being of the actual community and voters.
