

## Epping Forest District Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name**

### Comment text:

In the current climate, what are the cost implications? Are there savings or extra costs? What does it mean to us - the people? Have the Commission taken into account the amount of development planned for Epping, this will increase the number of electors on one side of the High Street considerable in the next 2 years.
