I live on The Ridgeway in Tonbridge near to the junction with Hadlow Road. We always use this end of the road and have very little in common with much of the area to the west of us, including Shipbourne Road. Our closest retail area is on the Retail Park and the type of housing is much similar to those on Hadlow Road and Yardley Park Road than some of the roads off Shipbourne Road.

We would be keen to be considered in the same ward as the Hadlow Road, Yardley Park Road and Cannon Lane area as the type of housing is very similar and we all rely on the same services and amenities.
