I live in Shawforth and I am wanting to stay part of whitworth I have many reasons as to why I would like to stay apart of it. I have lived in whitworth my whole life and the last 3 years moved to shawforth, I remained close due to the fact of still remaining part of the whitworth community. I use the facilities in Whitworth eg doctors dentist library and shops and I feel that the people of Shawforth would miss the support from community groups such as Whitworth in Bloom and The litter picking group and many of the children from Shawforth are part of brownies and scout groups I feel the people of Shawforth would lose their identity and could end up being represented by someone from Bacup that wouldn't understand the area the people or their needs. Overall I feel Whitworth should be kept as one even if this still means losing a Councillor
