

## Harlow District Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

This seems to me to be away of reducing the representation and responsibilities for whoever is leading the council especially in areas such as Staple ty. I also notice that HARLOW and Gilston garden town are just outside the Harlow boundary meaning that theer council tax will be going to Herts council not Harlow council, even though most of the amenities and services will be provided by Harlow council. Don't fix what isn't broken.
