It doesn't make sense that we at Fenton Grange in Church Langley are being separated out with Potter Street. We are actually in the middle of Church Langley and nearer Tesco than most which will be in another ward. The housing stock in Potter Steet is very different to Church Langley with its own issues, as too is New Hall. Church Langley should stay its own entity. The councillors in Church Langley are pretty poor, but having 6 of them will not improve things and can see them passing the buck on issues relating to roads that are in both ward. Dividing Church Langley is a big mistake.
