I am a resident of 'The Ship Roads' a group of residential roads in Walton named after ships of The Cunard Line (Woolhope Road, Haggerston Road, Iverina Road, Saxonia Road and others). Our homes are adjacent Walton Hall Park, a park which we use each day. The park forms a large part of our attraction to the area and why we love where we live. The proposed boundary sees the Ship Road estate being retained in County (which we are currently in) and not Walton Hall. I and my household don't agree with this. My concern is that my views about my area and Walton Hall Park will be overlooked or not the priority of the Councillors elected as the park does not fall within their new boundary. My views would likely be aligned to those who live in the Walton Hall ward rather than those in County as we use the park, live by it and want to see it improved by our Council and Councillors. It makes more sense for our estate to be included in Walton hall ward to protect our interests, views and opinions.
