### Comment text:

Cressington needs its own ward! Or at least Grassendale ward be made bigger to take in Grassendale road to Whitehedge road! Cressington is not "south Garston" it has different issues to Garston village area - more issues that coincides with the Grassendale and aigburth ward proposals. Or leave Cressington as it is and split the Garston Speke ward into just Garston and speke non of this north/south Garston that just splits the area!
