The proposal to split the Tuebrook and Stoneycroft Ward into 3 different wards of Stoneycroft, Tuebrook Larkhill and Tuebrook Edinburgh Park is a crazy idea. This would mean we would have one councillor rather than a team of 3 working across the whole of the Tuebrook area. We have so many shared facilities - shopping area, Tuebrook Community Centre, Tuebrook Hope Centre, Tuebrook British Legion and Peter Lloyd. This makes no sense and makes it difficult for residents if the one councillor was away with work, ill or domestic problems this smaller ward would be left unrepresented. I am opposed to the change.
