Festival Gardens might work as a ward but is too long and thin to represent a community in any way. I do not approve of one Cllr wards. Being a Cllr normally means having a day job and there is a lot to do if you are going to be effective having been a Cllr for 12 years. If anything should happen - illness, family problems etc then there is no fall back to do the day to day work of representing the residents. I would also urge very strongly that if a ward is going to be as "strung out" as this along the river then there MUST be accessible and adequate polling stations. The bus service along Jericho Lane and Riverside Drive is every half hour. I have already had a discussion with an elderly resident who has given up voting because there was only a portacabin a long way up the road. There must be at least 3 Polling Stations. I suggest the Britannia Pub, a big tent accessible to houses along Riverside Drive and the surgery in Jericho Lane.
