

Liverpool City Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

Comment text:

The area I live is a postcode for old swan. But under these changes I will come under the Broadgreen remit. My concen is being left on the outside of any work being completed by my representative due to the difference in the L13 and L14 postcode. No issues with the change, but assurances about fair representation for those area outside of original postcodes and on the fringes of the district.
