### Comment text:

This is in relation to the Wootton Wawen Ward The proposal to move Bearley and Wilmcote into other wards and Ullenhall moving into the Wootton Wawen Ward. I do not feel that this is in the best interests of Ullenhall, in particular, as the churches of Ullenhall and Henley in Arden are connected and the residents of Ullenhall shop in Henley in Arden. There is very little connection with the village of Wootton Wawen other than the borders briefly touch each other. This would not please the residents of Ullenhall in any way. With regards to Bearley which does border Wootton Wawen and is connected by the A3400 there is a better affinity and residents of Bearley are more likely to use the shop in Wootton Wawen and the pubs and restaurants as they are less than a 5 minute drive away. I would ask you to seriously reconsider the changes to the ward as they risk causing a feeling of disenfranchisement.
