### Comment text:

Emailed request :Can you help...?Mappleborough Green PC recently tried to submit comments regards the boundary consultation with reference to Stratford-on-Avon, however the map was very unclear regards where the Parish of Mappleborough would fall and as such our comment was requesting confirmation and also quoting the concern regards the electorate estimate as that too didn't make sense. The submission was made on Oct 4th but to date no response has been received. Are you able to reply regarding the queries in order for a final submission to be made? I look forward to hearing from you before Nov 8th. RESPONSE RECEIVED : Thank you for your comments. We will consider them carefully. Regarding your specific query, our draft proposals see Mappleborough Green parish form part of our proposed Wootton Wawen ward. Please see the map below. This mapping can be viewed online at <https://consultation.lgbce.org.uk/have-your-say/24993>, this allows you to zoom to a high level of detail, overlay parishes, existing wards and proposed wards to compare changes, and has space for you to make a comment. PLEASE NOTE as the question regards inaccuracy of the map was not fully answered (the boundary lines are questionable, especially along the A435) and the numbers regards the electorate ignored, Mappleborough Green Parish Council state their objection to this boundary change.
