I don not agree with splitting Southam up into different wards. It makes no sense to split such a small area when the current arrangements of 3 councillors works very well. They all communicate well with each other and the local community. I believe it would cause unnecessary division within Southam and the local villages that have been linked tonSojthammwould not be served as well as they are now. This is because the villages have different needs to Southam. We should keep the boundaries as they are for Southam and surrounding villages
