Subject: Boundary review for Stratford on Avon District Council

Categories: [REDACTED]

I support the addition of another councillor for the ward of Bidford on Avon so that we retain the wards of Bidford East and Bidford West. There has been considerable house building in Bidford and the addition of one extra councillor will ensure that the views of the residents of Bidford are made available to the Council.

I live in the west of Bidford within sight of 2 of the new housing developments in the village.
