Comment text:

Offenham Parish Council strongly object to the proposals for the following reasons: • The loss of identity becoming part of a larger area - no mention of Offenham as a village in it's own right, Offenham is NOT part of Littleton. • Confusion for residents who need to contact their local representative – if this is to go ahead why not split the area in 2 and have one councillor for each area. This is ineffective representation for our residents. • Not in line with future development within the SWDP – this is a short sighted approach . • Negative effects on catchment areas for schools. • Concerns were raised about the cost of this project when resources are severely stretched at this time due to covid expenditure. • Effects on rural policing boundaries - has West Mercia Police Authority been consulted?
