Subject: Kington & Dormston Villages

Categories: Submissions, [REDACTED]

Dear Sir

As Chairman of Kington & Dormston Parish Council I was disappointed to find that you are intending to put us into the Inkberrow Ward

Our two villages are very rural with many generations of families still living locally Many local organisations meet up with our nearest villages eg: Flyford Flavel, Grafton Flyford, Peopleton & Naunton Beauchamp for joint events

Many of our residents are registered with Pershore doctors, children attending Flyford First School go on to Pershore High School

As Inkberrow Ward is already very large where two Councillors have difficulty covering it and attending Parish Council Meetings, which we find most helpful, could we please be left in the Upton Snodsbury Ward which has worked so well over the years

We feel that we would be seen to be very insignificant in a much larger ward and not receive the support that we have and appreciate very much

I hope you will consider our concerns favourably

Kind regards
Mrs M Tilt
