There are 40-50 houses from Manor Road, Wickhamford along the Willersey Road into Bowers Hill that are part of the Badsey Parish and yet not treated as such due to the distance (2 miles from the village). As a group of houses we are closer to the village of Wickhamford and get more support with local issues from Wickhamford parish council because of this. Badsey village is becoming larger and larger and the emphasis more and more on the centre of the village. Therefore would it be possible for the Willersey Road and Bowers Hill houses to be moved into the parish of Wickhamford? Geographically it would tidy the boundaries up too.
