I live in Burnopfield I totally disagree that I should be in Blaydon constituency, I do not shop or even go there, I did used to live there and also had family there but now sadly they have passed, but even tho I had family there I still used Stanley/Consett for shopping.. I will not be voting if I am to vote for a Blaydon mp. I have no interest in going to Blaydon nor can I easily get there via public transport... My community is Stanley/Consett in county Durham this move is absurd!!!
