

## Durham County Council

### Personal Details:

**Name:** Graeme Reid

**E-mail:**

**Postcode:**

**Organisation Name:** Wingate Parish Council

### Comment text:

I write on behalf of Wingate Parish Council and to propose that a new boundary for the Wingate Ward include Station Town and Hutton Henry which are currently in the Blackhalls Ward. There is no logic to this as Station Town and then Hutton Henry are merely an extension to Wingate split by an artificial boundary. Issues are common across all three village and it would make the most absolute sense for there to be one county councillor representing all three.
