### Comment text:

The new housing at Weir Hill in Shrewsbury is well within the town 's natural boundaries (Including both river and roads) and any suggestion to move those electors out of the town boundaries would be against natural justice. The parish boundaries of Bayston Hill, likewise are established and historically natural boundaries for the electoral division. The school and village of St Martins should be within the same division. Splitting the village can be avoided by looking at a wider picture and moving Duddleston Heath into Meres and Harmer Hill, Myddle and Broughton to Tern. Bridgnorth should be divided into three seat but not link to Worfield.
