Comment text:

Obviously drawn up by someone with no understanding of Rugeley and Brereton you cannot include the peartree estate and some properties on the opposite side of sandy lane there is no connection to Brereton at all they would not use anything to do with Brereton they would be using everything down in Rugeley! I live right on the current boundary on Brereton Rd and we use Rugeley but have no voice there also wheelhouse Rd area is definitely Brereton. Rugeley and Brereton are under represented on Cannock chase council and that does need to be addressed
