### Comment text:

It's about time Cannock Chase Council started to do something in Rugeley, for Rugeley. All it appears is Rugeley is the cash cow. Empty shops and businesses all over the area. Road network is poor. Pot holes all over. Bus Service is terrible GP Services at Sandy Lane is poor at best. Schools are run down. With the prospect of thousands more house being build on the old Power Station there is no infrastructure to accommodate.
