Comment text:

Reducing the number of councillors is a positive move in my opinion. Our Parish (Easton on the Hill) is on the northernmost tip of the county and therefore has to be combined with adjacent NN parishes to form a ward. I have no problem with the current ward arrangement. The wider point is whether we should be in Northamptonshire at all, when our local town is Stamford, Lincs, (2 miles away) and we pass through the tip of Cambridgeshire to get there!
