

## North Northamptonshire Council

### Personal Details:

**Name:** Pat Bird  
**E-mail:** cranfordparish@gmail.com  
**Postcode:** XXXXXXXXXX  
**Organisation Name:** Cranford Parish Council

### Comment text:

As a result of the Kettering Borough Reorganisation of Community Governance Order 2020 various parts of land from the parish of Cranford were added to the parishes of Barton Seagrave, Burton Latimer and to the Town of Kettering. Cranford Parish Council requests that the parish of Cranford is not consumed into these urban parishes but retains its rural identity and is joined with other rural parishes to form a rural Ward. Currently the parish of Cranford forms part of the Ise Ward and is served by three councillors. In reality the parish of Cranford is served by one of these councillors and it requests that its new rural Ward is served by one councillor. This would improve the accountability of the councillor to the electorate and hopefully then strengthen the relationship between the electorate and the councillor.
