### Comment text:

I live in the Oundle Ward. I am not sure multi councillor wards work well. Both councillors and public do not always have quite the same commitment to the area. In Oundle I suggest that Kings Cliff and Easton area is a separate ward. Oundle and immediate villages like Glapthorne a two member Ward. The villages such as Barnwell, Thurning , Polebrooke , Warmington etc do not look to Thrapston. Can they be separated from Thrapston into Rural Ward and leave Thrapston with 2 councillors
