Postcode: [REDACTED]

Organisation Name: North Tyneside Conservative Federation (Representative of a local organisation )

## Comment text:

Dear LGBCE

On behalf of North Tyneside Conservative Federation we would like to express our wholehearted support for the proposals which the commission has put forward. These are clearly based in the three criteria and fit closely with our initial proposals. We refer the commission back to our initial justification document for the reasoning behind these proposals.

## Attached Documents:
