I am writing on behalf of Duston Parish Council to express our support for the proposed boundary change, as per item 191/23. of the Full Council meeting held on April 6th, 2023.

We believe that having three designated West Northamptonshire Councillors specifically assigned to a ward that corresponds with the Parish boundary will greatly benefit our residents. Currently, Duston East Ward spills into Northampton Town Council's boundary, while Duston West and St. Crispin are split between two Parishes, with the two wards splitting Parish in half, which can cause confusion for residents in terms of who to contact for various issues. By aligning the Parish boundary with the WNC boundaries, residents will have a simplified and clearer point of contact for their local representatives, which we believe will lead to a more efficient and effective interactions between residents and their Councillors.

Thank you for considering our views on this matter.

Sincerely,

Ryan Ikavnieks – Assistant Clerk
