**Related subject:** Proposed ward name

The only comment I would like to make is in relation to the name of the proposed Walgrave and East Farndon Ward. These are two smaller villages at either end of a quite large rural area, I think a better name would be 'Lamport and Maidwell' as these are better known villages in a more central location and most people pass through them on the A508. Also representatives from other areas of West Northants would be able to place those villages more easily within the area. Another possible alternative might be 'Rural North East'

I hope that's helpful
