I agree with the proposed ward boundaries, especially including Ruscombe with Twyford because they are so closely linked and impact each other, they should be in the same ward. There are 3 points on the Twyford/Ruscombe boundary (Ruscombe Road, London Road and Pennfields) where next door neighbours are different parishes, Ruscombe is very reliant on Twyford for services and because of this, any development in Ruscombe would have a massive impact on Twyford.
