**Related subject:** Councillors

Gateshead council could not run a bath!! These councillors who work very little hours for a full time salary... Most of who are already in full time employment elsewhere for retired with fat pensions.. are only in it for themselves! I know I used to be in a relationship with one so I know the ins and outs.... Get rid of these useless people and use the money to open back up the leisure centre.... Bet this doesn't get posted!
