Dear Colleague

I am a local councillor serving the Lloyds ward in Corby for 28 years .

Lloyds is Corby's oldest most traditional ward and the homes we have requested come onto the ward havd always been on Lloyds and are traditions Lloyds homes built by Stewart's and Lloyds steel company for workers at the steelworks .
They are also part of a conservation area thus should be kep together with the other areas of Lloyds you havd put forward .

By lookobg at your website West is under by -3% and Lloyds
over by +4 %

This ward must be kept together , to do this you can put the street below back into Lloyds

Annandale
Tees sale
Dovedale
Hazelwood

Lodge Green
Through sale
Deene
Fineshade
Grays close

The area that is flats in the town and is split in two can come into one and with those below going into West

Argyll Street
Montrose Street
Wheatley Avenue
Malcolm Court
Montrose
Elizabeth Street

The other option is to take Ribblesdale / Ennerdale area into West - these are not traditional Lloyds homes.

The Exeter Estate - Burleigh Drive , Cecil Drive area etc is traditionally part of Hazel Let's Gainsborough Road and not Lloyds . It is separated by a dual carried way with a fence down the middle from the Village area and Stuart Road area and should be part of Kingswood

I trust this is of use

Regards

Cllr Mark Pengelly
