## Comment text:

As Chairman of East Lloyds Community Association I believe part of West Lloyds should be included in East Lloyds.

We are part of the oldest estates in the town.

Our houses were all part of Stewart & Lloyds housing estate.

Our houses are mostly built the same. We use the same local shops, we have resident's who have lived on the same estate all their lives, IE. I was born on the estate I live in over 70yrs ago..

Regards

Dennis Taylor

Chairman of East Lloyds Community Association.
