Dear LGBCE,

I would like to support the proposed Tynemouth ward within your suggested boundries for North Tyneside.

I believe that the Tynemouth shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like Tynemouth Pool, Morrisons etc"]

Tynemouth has for to long been lumped in with an extended area and has been ignored and intentionally bypassed by and indifferent and mediocre council. A council who are much more interested in political infighting, point scoring and back stabbing than the local people who they purport to represent. Tynemoth is a historically and culturally important area that is in danger of being ruined by a council unable to see past its own social prejudices - the ludicrous Station Development being a prime example.

Many thanks
