## Comment text:

Dear LGBCE,  
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.  
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]  
I am not sure why any changes to the existing boundaries have been proposed.  
However, The LGBC's proposal does recognise that Benton per se is a different district from Longbenton and is closer in character to Forest Hall. Benton and Forest Hall are established and settled communities and have a unique and historic character.  
Many thanks
