I live on Otterburn Road in Preston village and the plan would keep Preston village together which I think is good for democracy. When the grange was built in the 50s and 60s it was always designed to be part of Preston village. The grange being in the same ward is sensible and I regularly cross beach road to go to Morrisons and I even got my vaccine at the shopping centre. This makes lots of sense to me. Preston is its own place separate to north shields.
