Dear LGBCE,

I would like to support the proposed St Mary's ward within your suggested boundries for North Tyneside.

I believe that the St Mary's shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like Tynemouth Pool, Morrisons etc"]

I am broadly in favour, which is little changed. I only wish that North Tyneside council could be split in to two or more council areas, as then the councillors would be more in tune with their communities, as some one in Whitley Bay has little knowledge of what is important in Long Benton and vice versa.

Many thanks
