## Comment text:

Dear LGBCE,  
I would like to Oppose the proposed Annitsford, Burradon & Backworth ward within your suggested boundries for North Tyneside.  
I believe that the Annitsford, Burradon & Backworth shares  
I don,Äôt think they are close enough to be put together. Dudley and Fordley are our closest neighbours so why Burradon and Backworth makes no sense especially Backworth who is no where near us  
Many thanks
