## Comment text:

Dear LGBCE,

I would like to Oppose the proposed Annitsford, Burradon & Backworth ward within your suggested boundries for North Tyneside.

I believe that the Annitsford, Burradon & Backworth shares

The rural issue is progressively less relevant as housing and economic development spread northwards. The settlements can no longer be termed villages. The A19 is now a 'natural' divide between Dudley/Burroden/Camperdown, and Backworth. These are my main reasons for opposing the proposal.

Many thanks
